### What to expect

KinderGym/KinderBOUNCE is a movement-based learning program specifically designed for 3-5 year old pre-schoolers, adapted to incorporate the unique fun and physical health benefits of trampolining.

The program incorporates a balance of self-expression and skills development in a group format that is ideal for this age group utilising both on and off-trampoline spaces and activities. 60 minute classes are conducted in a safe and multi-sensory environment, and structured to develop children: socially, physically, emotionally and cognitively.
